14. The complaints of the petrs are chiefly (1) that the savings of the temples Sri Lakshminarayanaswamy ~~and Sri Kailas~~ Kailaseswaraswamy amounting to Rs 1890-14 has been lying idle without proper investment and that the stipulated sevas are not being conducted and that (2) with regard to Sri Kailaseswaraswami Temple, the sandarpane on Karthika day out of the income of the garden land gifted by one Thimmappaiya has not been done.

15 The Dy. Comrs reports and the Mug Comrs report explain in full the present situation The reports go to show that it is not possible to state now what amounts were intended for sevas, ~~and~~ It is, therefore, suggested that some provision may be made in the scale for the requisite seva.

K.R. SREENIVASAIENGAR, ESQUIRE, M.A.,

1st. COUNCILLOR TO THE GOVERNMENT OF HIS

HIGHNESS THE MAHARAJA OF MYSORE,

BANGALORE.

Sir,

We being the members of the Deputation appointed by the residents of Honnavalli and the villages comprising Honnavalli hobli, beg leave to approach you and place the following facts for your kind consideration and favourable orders:-

1. Formerly Honnavalli was the Taluk Head quarters and for reasons unknown, it has been reduced despite it extent and importance, to the status of a hobli, and in consequence the manufacture, trade and industry have become hopelessly handicapped and the condition of the people has progressively deteriorated. With the advent of Mr. Mohamed Zaheruddin ecci as the Deputy Commissioner to Tumkur District, the grievances of the poor ryots were taken into kind consideration and they have received considerable relief at his hands.

2. This village is on the borders of Tiptur, Arsikere, and Chikanayakanahalli Taluks and has forest close by. This, being the centre of a large number of villages, has the special advantage of having two Police Out-post stations situated on either side within a radius of about 5 or 6 miles. Owing to the existence of innumerable cocoanut gardens, the loss sustained by the helpless ryots has been heavy and inestimable. There is, therefore a great or pressing need - -

need for duly equipped Police Barge Office in this place as the investigating centre is about 11 miles off from this place. Sekharban Pecci, Trustee submitting his recommendations in this matter, has posted a Sub Inspector to this place. We pray that the sanction for opening the Barge Office may kindly be accorded early

3. There are two Vaidik Institutions in this place which require urgent aid from the Public funds A car is required for use in the 'Sree Lakshminarayana Swami" and "Sree Kylasesvaraswami' temples The following list will show the names of devotees and amounts contributed by them for the purposes mentioned against their names in the"Lakshminarayanaswami"temple:

		TOTAL. ...	1811-10-8		

This sum of Rs.1811-10-8 was paid by the devotees into the hands of the Dharmadarics of the Temple. By their judicious management they were able to save some amount out of the interest realised after conducting the above seves. The amount thus saved together with the

principle - -

principle amount to Rs.1890-14-0. The aluk authorities abruptly recovered this amount as follows:- Rs.750-0-0 on 0-8-1905; Rs.705-0-0 on 11-11-1907; and Rs.435-14-0 on 20-7-1906. Since these respective dates, the full amount has been lying idle in the Taluk Treasury as Puduvat funds. Besides this Rs.775-13-8 has been deposited in the Madras Bank and the interest on it is being realised half yearly by the Taluk authorities and credited to the Puduvat funds. With regard to Kyleswara temple one Thimmappia made over a gift of a garden to the temple for the purpose of performing Santharpane on Krithika day out of the annual income of the said garden. He also authorised one late Mr. Kandachar Subba Rao to recover the gutta amount and conduct the seva. It was being done by him till his death and afterwards by his son. This was also stopped by the Taluk authorities by recovering the gutta amount themselves and depositing the amount in the Treasury By this the donor's intention has been violated since a long time. As the Puduvat funds endowed by the devotees have been, for the above reasons credited to the Muzrai funds, and as no interest isbeing realised on the principle, a good deal of difficulty is being felt in conducting the necessary seasonal celebrations and the objects of the devotees have been frustrated. We earnestly beg that you will be pleased to pay your gracious attention towards the fulfilment of the objects of the devotees by sanctioning a special rate of interest at not less than 6 per cent per annum on the total accumulated amount up till now.

4. There is a Railway station at a distance of 4½ miles from this place. As Meharban Mecai and Meharban D'Souza have given us both encouragement and help for Trade and Industries, we have launched

a Trading Association by name "The Shimoga Racing Syndicate Ltd.," and got it registered in the hope of receiving Government patronage as prayed for by us. The residents of this locality are not capable either of understanding, by themselves, the matters relating to the Administration of the Syndicate or of improving the business enterprise. It is therefore necessary to nominate the Deputy Commissioner and the Director of Industries and Commerce as members on the Board of the Syndicate. Orders may kindly be issued to receive all the amounts due to the Syndicate in all the Government Treasuries without commission, and to credit the same to the Mysore Bank in the name of the Syndicate and also to honour the Syndicate's cheques in all the Government Treasuries. In addition to this one Government Officer may kindly be deputed as Manager of the Syndicate for a period of three years and it is desired that Government auditors should audit the accounts of the Syndicate free. Our Leader and Patriot Mr. M.A.Rao, has besides submitting a petition regarding this matter to Mr.D'Souza, also requested all the High Officers concerned. Therefore it is prayed that your good self will graciously be pleased to get the request sanctioned early as prayed for.

5. Though this place is big enough, somehow, the Railway station, which is hardby is named after Bone'alli eclipsing the importance of this place. On account of this advancement in matters of Trade Industry etc. of this place has been hampered. It is therefore quite essential that the existing name of the Railway station should be changed as "Honnavalli Road." We therefore pray that Government may be

pleased

pleased to recommend this matter to the Railway Company for the desired alteration.

In conclusion , we respectfully beseech you to convey our expressions of deep loyalty and love to our beloved soverign,His Highness the Maharaja of Mysore.

We beg to remain,
Sir,
Your most obedient servants,

HONNAVALLI,

Sir,

With reference to Revenue Secretary's letter No. 376/Muz. 82-8-25-2 dated 30-9-1925 forwarding for inquiry and report petition from Mr. M.K. Rao and others praying that the Puduvas and other contributions belonging to Sri Lakshminarayana Swami and Sri ----- Kylaseswaraswami temples at Honnavalli in the Tiptur Taluk may be properly invested etc., I have the honor to forward herewith copies of letters No. H.C. 182/25-26 dated 22-6-1926 and 27-11-1926 ----- respectively from the Deputy Commissioner Tumkur District and to state that as reported in para 2 of the first of the Deputy----- Commissioner's letters, the Comptroller has invested the amounts at the credit of the Institutions as per details furnished in the

   (b) 6¼% State Loan Bonds. Rs2,000- 0- 0

Statement of Final Balances approved by Government in ----- May 1926. In view of the above the apprehension of the petitioners that no Interest is being realised on these amounts is unfounded. As will be seen from the Deputy Commissioner's second letter and the original ----- records relating to the circumstances under which the Puduvat Contributions were offered and accepted are not available. In the absence of definite information as to the specific purposes for ----- which the interest realised on these securities should be utilised and in view of the fact that the purposes mentioned in the petition against the contributions are too many, it is not possible to ---

say for which seva the interest should be utilized. Since however the annual interest goes towards the income of the Institution in the scale there can be no objection for the Dharmakarsis providing in the scale for the requisite seva. They may be informed accordingly.

As regards the second temple viz., Sri Kylasaswaraswami temple one Thimmappaiah has endowed Survey Nos. 59 of Gudigondanahalli by a registered deed of gift executed on 19-10-1896 for Banterpane and other sevas in the Institution in the monun of Kartheka. The Amildar now reports that the garden lands endowed has been leased out for a period of 10 years from 1923-24 for an average gutta of Rs. 150/- and if approved a provision of Rs. 100/- per annum will be made in the scale of the Institution with a view to the sevas being conducted regularly in future. I beg to ------- recommend that this proposal may be accepted.

The records are herewith submitted for reference.

P.S. (Absent from Station)

Letter No. H.C.182/25-26 dated 22nd June 1926 from the Deputy Commissioner, Tumkur District to the Muzrai Commissioner in Mysore, Bangalore.

With reference to your letters Nos. P.C. 63/25-26 dated 23-9-25 and C. 355/25-26 dated 10/12 th October 1925 forwarding for report the petitions of Messers: Ramaswamiah, M.K. Rao and others of Honnavalli praying that the Puduvat amounts and contributions made by the Devotees of Sri Lakshminarayanaswami and Kailasaswaraswami temple at the place may be properly invested and interest paid thereon, I have the honor to forward herewith the file of correspondence ending with the Gubbi Sub-Division Officer's report No.H.C. 185/2526 dated 5-6-1926 thereon and to state as follows.-

It will be seen therefrom that a sum of Rs, 1,667-5-1 being the contribution paid by the several devotees of the temple for Rathotsavam and other sevas in the Sri Lakshminarayanaswami temple has been with-drawn from the savings Bank and credited to Muzrai Funds under Government order No. 477-84/Muz. 612-09-4 dated 17-8-1910 and that another sum of Rs. 755-13-8 stated by the petitioners to have been deposited in the Madras Bank is reported to have been invested in the 3½% Loan of 1865 of Government of India Loans and that the transactions relating to this item of investment has taken place through the Comptroller (vide Item No.327 on page 456 of the 1v part of Mysore Gazette dated 22-5-1924.)

The Petitioners pray that the amounts referred to above may be ordered to be withdrawn and kept in Savings Bank or the Co-operativ e Society so that the Institutions may be benefited by way of getting a higher rate of inter

Interest.

The second of the above two items of money seems to fall under "Muzrai Surplus Fund" and its investment in the Government of India Pro-note is in accordence with the standing orders. As regards the first item the procedure followed in the Taluk office in ---- transferring the amount from the Savings Bank Deposit to the Muzrai Funds is unauthorised. It is said that the transfer was effected as per Govt. Order No.477-84 Muz. 612-09-4 dated 17th August 1920 but the fact that that order does not apply to Puduvat Funds has---- evidently been over-looked.

In the above circumstances, I think that the Savings Bank Deposit has to be revived under proper --- sanction.

There is a third point mentioned in the petition. It relates to the sevas in the Sri Kallaseswaraswamy temple at Honnavalli out of the garden proceeds endowed by one Thimmappaiya. The Taluk report on this point is incomplete. Further details will be called for, and a separate report will be submitted on their receip

Letter No. H.C.182/25-26 dated 8/th November 1926 from the Deputy Commissioner, Tumkur District to the Muzrai Commissioner in Mysore, Bangalore.

With reference to your letter No. C. 355/25-26 dated 23rd July 1926, calling for certain particulars in Re: the proper investment of the Puduvat Amounts and contributions made by the Devotees of the Sri Lasinimarayanaswami temple and the conduct of sevas at Kyalaseswaraswami temple at Honnavalli in the Tiptur Taluk I have the honor to forward herewith the connected file of records ending with the Gubbi Sub Division Officer's No. H.C. 182/25-26 dated 14th November 1926 and to state as follows.-

2. It will be seen from the Amildar's report dated 4th November 1926 that there are no other original records available in his office to show by whom and when the Puduvat and contributions amounts (referred to in the Petition of M.K. Rao and others) were paid and for what sevas or services.

3. With regard to the Sevas in the Kyalaseswaraswami temple out of the garden proceeds endowed by one Thimmappaiah, it is reported that Survey No. 39 (Garden) of Gudigoundanahalli village has been gifted for the sevas noted in the Margin (vide registered document executed on 19th October 1896 by Thimmappaiah in favor of Sri Kailaseswaraswami. This land has been leased out for a term period of (10) years on an yearly Kutha of 2,500 dry cocoanuts (Imp) the cost of which at the the prevailing market rate is said to have been recovered from the lessee every year in cash and credited to Muzrai Funds. The Amildar states that the value of 2,500 dry cocoanuts may be taken on an average at Rs. 150/- per

3. Nitya Deepa, During the whole month of Karthika.

year and that after reserving one third of the amount, a sum of Rs. 100/- may be made available for Santerpane every year.

4. The petitioner's complaint that the Donor's intention has not been carried out for a long time seems to be well founded (Vide Amildar's report dated 31st October 1925) and if approved, the scale of the Institution will be revised making due provision for sevas specified by the donor at a cost of Rs. 100/- every year.
